2. The reasons for making my submission are: *(state in summary the nature of your submission, giving reasons)*

The Curragh family have lived and farmed at the present location Curraghs Road for over 150 years! This land borders the proposed quarry site, so obviously the family are upset at any change to the status quo. These are the reasons we object,
- extra noise - crushing plants, heavy machinery, trucks
- dust, predominant NE wind blows directly at our property.
- traffic - extra trucks and difficulty crossing roads.
- water - effect on well, and water contamination
- loss of productive farmland
- amenity values - views to ChCh & Port Hills. Views always good
- remediation - land won't be filled to ground level
  - more red zone land. Other FIt quarries not remediated
- economic, the whole community ~~has~~ is effected, everyone is concerned and worried, Fulton Hogans only care about profit
- Spoiling our great way of life, quarries should be out on other side of Old West Coast Rd.
- Long term future of ChCh & Canterbury at risk, views from SH1 awful.
- Should be planning ahead - not raping good land.

Please attach additional pages if required

3. I wish the consent authority to make the following decision: *(give details, including the general nature of any conditions sought)*

I wish the consent authority to turn down Fulton Hogans application, and protect ~~and~~ our current environment.

That no quarrying be allowed within 2km of built up areas.
- NO QUARRY!

No quarry entry on Maddisons, Curraghs or Dawsons Roads.
