2. The reasons for making my submission are: (state in summary the nature of your submission, giving reasons)

   Noise from the continuous operation of machinery at the quarry will make it difficult for me to carry out
   religious activities and meditation practice at the Samadhi Vihara, Maddisons Road. Meditation requires a
   serene, quiet environment without noise or disturbances. ____________________________________________________

   Dust coming from the quarry situated about 140m from the temple boundary has the potential to cover and
   pollute the garden and buildings of the Samadhi Vihara. The health of the people who come to the temple,
   especially the children and the elderly may be affected. ____________________________________________________

   Heavy vehicles travelling to and from the quarry site will increase the noise levels and also spread dirt and
   grit on the roadways. The roads are narrow and not suitable for large trucks. ______________________________________

   The amount of water used for washing aggregates and possible water contamination is of concern. ________________________________________________

3. I wish the consent authority to make the following decision: (give details, including the general nature of any conditions sought)

   I want the Selwyn District Council and ECAN to DECLINE the application from Fulton Hogan and NOT
   GRANT consent for a quarry on the site bounded by Dawsons, Curragh, Maddisons and Johns Road. ______

   I would like the following conditions imposed if consent is given: ____________________________________________

   Hours of operation: Quarry to work only on weekdays Monday to Friday from 7am to 6pm. Quarry should not
   be operating during the weekends. Religious programmes and meditation programmes are usually
   scheduled for the weekends and quarry operations will make it very difficult for us to carry out our normal
   activities at the temple.

   Truck Movements: Reduce truck movements to and from the quarry to 1000 per day. Truck operations to
   cease between 6pm and 7am in the weekdays. No truck movements to be allowed in the weekends. Trucks
   should be covered to prevent dispersal of dust while in transit. _______________________________________________

   Fulton Hogan must ensure that there are no truck movements on Maddisons Road at any time. ____________
