Reasons comment:

The proposed quarry will be located just opposite the Samadhi Buddhist Temple - Maddisons Road. This is the only Sri Lankan Buddhist Temple we have here in Christchurch. The temple has a nice calm and quiet environment which is ideal for meditation. Majority of Sri Lankans in Christchurch are Buddhists and they regularly visit the temple for prayers and for meditation. Therefore, it is very important for us to have a peaceful and quiet atmosphere here in our temple. If the proposal was to go ahead, it will ruin the whole purpose of having our temple here as we will no longer be able to meditate or do our prayers in a noisy and polluted environment.

I wish you will take above details into consideration and decline their request to start a quarry in this location. Not only this will contribute to environmental pollution, this will also have a great impact on our Sri Lankan Buddhist community as Samadhi Buddhist Temple is the only Sri Lankan Buddhist Temple here in Christchurch.
