Reasons comment:

Traffic: Truck and trailer units on roads that just take two cars. Most trucks ride the centre line - Jones Road. Selwyn Council needs to widen all of Jones Road approximately another 2 metres wide from Templeton to Hoskyns Road. Noise: A section of our community does shift work and noise will disturb their sleep. Truck and trailer units (MT) make a lot of noise, particularly when going over the railway lines. Air Pollution: Not all dust can be contained. Proven in Hasketts Road - the road is white coming out of the facility. Water: At times, water restrictions are in place for areas under Christchurch City Council, so they should also apply to Fulton Hogan regardless of their well. The aquifers contaminated by silica etc, maybe not contaminated now but over time can Fulton Hogan say this will not happen. (Asbestos in the past a great thing, now it kills).

Consent comment:

Consent denied due to Improper use of farmland in close proximity to a built up area - Templeton.
