Reasons comment:

Samadhi Buddhist Vihara is a peaceful place for the Sri Lankan Buddhist community to gather and share their beliefs. Even though I am not a person who comes here regularly, I know many people who come to this temple who will be affected by this quarry. The noise and the vibrations will disturb the activities at the temple. The water and air quality will be reduced which will cause many health issues. There will also be transport issues like traffic because of the infrastructure. Therefore I oppose to the construction of the Fulton Hogan Quarry.

Consent comment:

I want the authorities to decline the application from Fulton Hogan and not grant consent for a quarry on the site bounded by Dawsons, Curragh, Maddisons, and Johns Road.
