(Note: this means that you cannot speak at the hearing, however you will retain your right to appeal any decision to the Environment Court on any decision made by the Council.)

2. The reasons for making my submission are: (state in summary the nature of your submission, giving reasons)

I attend the Samadhi Vihara at 358 Maddisons Road, Rolleston to pay homage to the Buddha and participate in religious activities. I oppose the application from Fulton Hogan to establish a quarry for the following reasons:

Noise: Noise from the continuous operation of machinery at the quarry will make it difficult for the resident monks to fulfill their religious obligations. Constant noise originating from the quarry will also have a direct negative impact on the devotees who come from far and wide to practice meditation as Meditation requires a serene, quiet environment without noise or disturbances. Religious programmes and meditation programmes are usually scheduled for the weekends and if the quarry is in operation it will be very difficult to carry out normal activities at the temple.

Dust: Due to the close proximity of the quarry to the temple, the impact of dust pollution would be huge, especially on dry windy days. There is a possibility that a wide area of the temple land could be covered in dust and grit making it very unpleasant for devotees to do walking meditation and other activities outside the buildings. The effect of dust pollution on the health of all devotees including the elderly and children is of concern.

Truck movements: Increased truck movements to and from the quarry will add to the noise levels and disperse dust all over the roads if they are not covered. The roads could get damaged too. Could make it difficult for the devotees to safely travel to the temple.

Please attach additional pages if required

3. I wish the consent authority to make the following decision: (give details, including the general nature of any conditions sought)

I want the Selwyn District Council and ECAN to DECLINE the application from Fulton Hogan and NOT GRANT consent for a quarry on the site bounded by Dawsons, Curragh, Maddisons and Johns Road.

I would like the following conditions imposed if consent is given:

Hours of operation: Should be reduced and the Quarry should operate only on weekdays Monday to Friday from 7am to 6pm. Quarry should NOT operate during the weekends or evenings as religious programmes and meditation programmes are usually scheduled for the weekends.

Truck Movements: Reduce truck movements to and from the quarry to 1000 per day. Truck operations to cease between 6pm and 7am in the weekdays. No truck movements to be allowed in the weekends. Trucks should be covered to prevent dispersal of dust while in transit.

Fulton Hogan must ensure that there are no truck movements on Maddisons Road at any time.

Daily monitoring of noise, dust, water quality and quantity must be undertaken by independent agencies.
