2. The reasons for making my submission are: (state in summary the nature of your submission, giving reasons)

I have many fond memories of working on this fine little farm in my teenage years, during the harvest season in particular.

I think the powers that be would be making a grave mistake allowing this area of land to become a quarry. There are vast hectares of much poorer land not too far away towards the Waimak river, that I think would be much more suited for a quarry - not intertearing with current activities in the area of concern.
