Reasons comment:

Rolleston Buddhist temple located in Maddison street , is the one and only buddist temple for Sri Lankan Buddhist devotees. Building a quarry, just opposite to the land that Buddhist temple is located, will be a great disturbance to its all activities including meditation , buddhist prayers and practices. It will definitely disturb the tranquility and peaceful surrounding, where we all as buddhist expect in our religious temples . Therefore , I am strongly opposing to the construction of Quarry in the land opposite to the Maddison street SAMADHI Buddhist temple .
