2. The reasons for making my submission are: (state in summary the nature of your submission, giving reasons)

We live in Christchurch and regularly attend the Buddhist temple, Samadhi Vihara, at 358 Maddisons Road, Rolleston. I oppose the application from Fulton Hogan to establish a quarry for the following reasons:_____

Noise: Noise coming from the continuous operation of machinery at the quarry will make it difficult for the devotees to carry out religious practices. There are meditation classes and programmes at the temple for people to attend. Meditation requires a serene, quiet environment without noise or disturbances. Once the quarry is in operation, the peace and quiet environment will be disrupted, making it very difficult for those who wish to meditate at the Samadhi Vihara._____

Water contamination: We have concerns that the quarrying process may result in ground water contamination. Several wells in the area may be affected and the water may not be suitable for drinking purposes. As the quarry will use up large amounts of water over the years, there may not be enough water for future irrigation of the land in the neighboring properties including the temple land._____

Health hazards from dust and water: Increased dust from the quarrying and truck movements may have an effect on the health and well-being of the resident monks and devotees who visit the Samadhi Vihara. If the water gets contaminated, people may not be able to use the water from wells for drinking purposes._____

Transportation: Up to 1500 truck movements daily are planned by Fulton Hogan. Heavy trucks carrying aggregates travelling to and from the quarry will increase noise levels, damage the narrow roads and add to the dust on the roads._____

3. I wish the consent authority to make the following decision: (give details, including the general nature of any conditions sought)

I want the authorities to DECLINE the application from Fulton Hogan and NOT GRANT consent for a quarry on the site bounded by Dawsons, Curragh, Maddisons and Johns Road._____

I would like the following conditions imposed if consent is given:_____________________

Hours of operation: Reduce Quarry hours of work. Start work at 7am on weekdays, Monday to Friday (from 7am to 6pm). No work should be done during the weekends or in the evenings after 6pm. Quarry must stop operations when there are special programmes at the temple like the Meditation Retreats. Religious programmes and meditation programmes are usually scheduled for the weekends and quarry operations will make it very difficult for us to carry out these programmes and activities at the temple._____

Truck Movements: Reduce truck movements to and from the quarry to 1000 per day. Truck operations to cease between 6pm and 7am in the weekdays. Limit truck speeds to 15km/hour in the neighborhood. No truck movements to be allowed in the weekends. Trucks should be covered to prevent dispersal of dust while in transit. No truck movements on Maddisons Road at any time._____
