2. The reasons for making my submission are: *(state in summary the nature of your submission, giving reasons)*

My family lives in Christchurch and we regularly attend religious and meditation programmes which are held at the Samadhi Vihara, 358 Maddisons Road, in Rolleston.

Samadhi Vihara is a place of worship for the followers of Buddhism to come to worship and pay homage to the Buddha. It is also a tranquil and serene place where people gather to learn and to practice meditation.

Noise: Noise from site preparation and construction. Noise from continuous operation of machinery at the quarry, Noise from heavy trucks travelling to and from the quarry

Dust: Dust from quarry operation and stockpiles, depending on wind speed and direction, Dust from trucks as they travel down narrow roads,

Health hazards due to dust pollution, effects on children and the elderly

Water contamination: from washing aggregates, washing trucks, dust suppression

Hours of operation of the quarry: 6am to 6pm daily is too long for people to endure. When this is increased for 150 days to 10pm, people will suffer sleep disturbances, in addition to continuous noise through the day including weekends.

3. I wish the consent authority to make the following decision: *(give details, including the general nature of any conditions sought)*

I want the Selwyn District Council and ECAN to DECLINE the application from Fulton Hogan and NOT GRANT consent for a quarry on the site bounded by Dawsons, Curragh, Maddisons and Johns Road.

I would like the following conditions imposed if consent is given:

Hours of operation: Reduce the hours of operation. Quarry to work only on weekdays Monday to Friday from 7am to 6pm. Quarry should not be operating during the weekends. Religious programmes and meditation programmes are usually scheduled for the weekends and quarry operations will make it very difficult for us to carry out our normal activities at the temple.

Truck Movements: Reduce truck movements to and from the quarry to 1000 per day. Truck operations to cease between 6pm and 7am in the weekdays. No truck movements to be allowed in the weekends. Trucks should be covered to prevent dispersal of dust while in transit.

Fulton Hogan must ensure that there are no truck movements on Maddisons Road.

Independent agencies must monitor noise levels, dust conditions, wind speed, water levels and contamination
