Reasons comment:

I wish to object to all Resource Consent applications from Fulton Hogan for the proposed quarry near Templeton. Reasons for making this submission are : 1. Noise - Noise make a big impact to the Samadhi Buddhist Vihara Meditation programmes at 358 Maddisions Road. This is a place where noble silence needed at the time of mindfulness and mediation programmes 2. Dust - Already a green environment is prepared at this premises to enhance mindful walking meditation and nature trail for children's mindfulness activities. Temporally dwelling sheds were built for meditation practitioners from local and international devotees, visitors regardless of ethnicity , age, gender, race or any differences. 3. Traffic- there will be more than 1500 trucks moving daily and it will directly disturb the events and programme of the Samadhi Buddhist Vihara
