2.

The reasons for making my submission are: (state in summary the nature of your submission, giving reasons)

I am living on a 10acre lifestyle block from which I currently prepare racehorses for racing. I also breed racehorses & the property is set up accordingly. I moved here for rural lifestyle not commercial. My objections to the quarry are noise, they start at 6am onwards, dust which is always visible, truck movement, vibrations of machinery, and constant sound up to 24/7. Another major factor to me is devaluation of my property and as I am new to the area, I will have a huge factor in my moving on in the next 5 years - possibly not being able to sell because of the quarry so close & my other main concern is water contamination (I have my own well) & possibly my well going dry.

Please attach additional pages if required

3.

I wish the consent authority to make the following decision: (give details, including the general nature of any conditions sought)

No conditions sort as there are plenty other pieces of land suitable and this is just destroying farm land and residential / life style lives. I say no quarry
