Reasons comment:

Mining and quarrying can be very destructive to the environment. They have a direct impact on the countryside by leaving pits and heaps of waste material. Air Pollution due to quarry dust, Deterioration in water quality (Quarry dust can settle in water bodies and cause pollution) Sound pollution due to quarrying process (Heavy Machineries, Plants and Vehicles) Increase of many health issues like respiratory diseases and conditions by quarry dust. Cannot do gardening (vegetable and flower) due to quarry dust. it can disturb plant growth by settling on leaves and hinder photosynthesis thus disrupting food chains. Vehicle congestion in Curraghs Road, Dawsons Road, Madisons Road and Jones Road Road accidents due to heavy vehicle moments on above roads, Huge investment loss due to drop of market value of nearby properties (Property Value depreciation) Addition washing and cleaning of interior and exterior of house and vehicles to remove quarry dust Ruining habitats for flora and fauna,

Consent comment:

Stop giving permission for a quarry on this location Allow them to access different location away from residential area Use this land for a new sub division If council decides to grant permission for Quarry _ Giving compensation for effected nearby properties or buy them at market price if they willing to sell the properties to allow people to move away from them hazed area
