Reasons comment:

Dust, Noisy, traffic, water pollution and traffic I and my friends have donated a meditation cottage into the temple and there are another 2 already there. People have spent a lot of money to built our temple and having a quarry in front is ruing our purpose. Temple suppose to be a calm and quiet place where people practise meditation. We have language and cultural school every Sunday morning too.

Consent comment:

Change it to a residential block where people can build new houses. Offer us money to buy another place and build our temple. Need monthly amount to clean the temple if we notice dust Need to stop quarry work when we have special events if quarry makes noise Reduce the speed limit of lorry
