2. The reasons for making my submission are: *(state in summary the nature of your submission, giving reasons)*

- I am submitting this as a devotee of the Buddhist temple at 358, Maddisons Road, Rolleston which is situated in the vicinity of the land use site proposed by above application. Over the last 17 years, this Sri Lankan temple delivered meditation, religious, and counselling programmes to Buddhists as well as to non-Buddhists. It is the only such temple in the entire South Island.
- We have spent lot of money and effort to transform its 10-acre land into a peaceful and quiet environment that is essential for above work. That environment is used by residential and visiting monks, as well as other devotees, to practice meditation and mindfulness. I am objecting to the proposed Roydon quarry as it completely destroys that environment.
- Proposed quarry is a safety issue for the devotees coming for its daily, weekly, monthly, and yearly activities from all over the island as far as from Invercargill to Nelson. This is in addition to the safety threat for the children attending the religious school, mindfulness programme, and language centre of the temple.
- There are plans to transform this temple into a self-contained complex by creating more sites suitable for sitting and walking meditation for short-term and long-term users, meeting rooms/halls etc within a rural/vegetation environment. All these require quietness, calmness, and peacefulness in the environment. We selected current location for this temple for those qualities. Sound, traffic, and dust generated by proposed project will turn that environment into completely opposite. It is not possible to relocate this temple.
- As done by nearby houses, we obtain ground water from a well. It is hard to imagine quality and quantity of this water resource will be unaffected by the proposed project.

3. I wish the consent authority to make the following decision: *(give details, including the general nature of any conditions sought)*

Due to reasons stated above, I object to the Roydon Quarry application by Fulton Hogan to Environmental Canterbury and Selwyn District Council, and kindly request it to be rejected.
