Reasons comment:

1) Samadhi Buddhist temple is situated closer to this proposed quarry. 2) This temple is the only buddhist temple for migrated Sri Lankans to participate in religious activities 3) For the activities conducted by this temple such as meditation, dhamma discussions, children's dhamma school etc require a calm, silent and peacefull environment 4) Having a metal quarry closer to the temple will destroy the whole expectations of the buddhist community who are taking the advantage of this temple 5) Also the creation of dusty environment by the large number of trucks moving around will be a big health hazard not only for the temple users but also for the whole neighborhood

Consent comment:

1) Not to give consent to this quarry to establish in this location 2) Order M/s Fulton Hogan to find an alternative location with no health hazard to the public.
