Reasons comment:

1) This quarry supposed to be operated closer to our only Sri Lankan Buddhist worshipping place (Samadhi Buddhist temple) in the whole southern island 2) Samadhi buddhist temple hold regular meditation and other religious programs 3) Every sundays the temple conduct religious lessons to hundreds of children 4) The meditation programs require absolute calm and silent atmosphere 5) If the quarry start operations in this proposed location all these activities will suffer due to the movement of large number of heavy trucks 6) The movement of heavy trucks will create a dusty atmosphere which will effect the health of every person living in this area, specially the children who are sensitive to dusty environment.

Consent comment:

Not to consent for this project in this proposed area. Fulton Hogan to look for an alternative location away from this current location.
