2. The reasons for making my submission are: *(state in summary the nature of your submission, giving reasons)*

We support the quarry application due to the imminent shortage of gravel to supply local demand over the next few years, there is a necessity to open new quarries to overcome the shortage\_\_\_\_\_

Unless there is a willingness from Local & Central Government departments to specify alternative construction products in lieu of gravel then the shortage will continue to increase and the demand for more for new quarries will increase. \_\_\_\_\_

The proximity of this site to the end users is of benefit to reduce transport costs and delivery times. Wear and tear on local roads and the carbon footprint will also be minimised opposed to a more remote site. \_\_\_\_\_

*Please attach additional pages if required*

3. I wish the consent authority to make the following decision: *(give details, including the general nature of any conditions sought)*

Grant the consent\_\_\_\_\_
