Reasons comment:

As this site is so close to the Buddhist Dhamma Gavesi Center (Temple and Meditation Center) the noise from such a quarry will be a terrible disturbance to the peaceful environment that is required. One reason for this temple to be established was due to the calm and tranquil environment, and this quarry will be a hindrance to the practice of Buddhism, and meditation activities.

Consent comment:

To consider this application 100% and to arrive at the correct judgement of denying the application by Fulton Hogan for the construction of a Quarry site here.
