**Reasons comment:**

I am a Buddhist monk lived in Christchurch for two years. I have been working with Samadhi Buddhist Center since 2003 very closely. The new premises of the Center in 358 Maddisons Rd, Rolleston 7675 is very close to the proposed quarry by Fulton Hogan. I am very concern about the impact on the Buddhist Center's environment by the new quarry. We are regularly do meditation and other religious and social services for the wider community. The quarry will affect in many ways to our services. Specifically, noise, dust, pollution, traffic, and health concerns will be the main disturbances. As a member of the Buddhist Center and the religious worker, I strongly oppose giving council consent for opening a quarry at the area.

**Consent comment:**

I am kindly and compassionately require the council not to give consent for the quarry.
