**Reasons comment:**

Samadhi Buddhist Meditation Centre at 358 Maddisons Road is ver closed to this proposed quart. Resident Budhist monks and non resident meditators will directly affect due to this Quarry. As a non resident meditator in the facility, I will directly affected from the pollution the quart. This is the one and only religious centre for more than 1000 Sri Lankan Budhists live in Canterbury and South Island. Calm, quiet, clean environment is a must for a meditation centre. If this Quarry y project is processed, we will have to relocate this facility to another calm and quint atmosphere.
