**Reasons comment:**

I oppose for all above resource consent applications because of its close proximity to Samadhi Buddhist Trust at 358 Maddisons Road, rolleston which is our temple. We have our daily praying sessions , our children attend the dhamma school and meditation programmes. The following are the reasons I am opposing: Transport and traffic issues Drinking water at the temple will be contaminated Dust Noise - at it is a place for us to worship and meditate Landscape and visual impact - its peaceful and green farm land and this quarry will destroy the beauty of this area
