Subject: CON520 Submission on Resource Content Application - Noel Rasin Mudiyansele submitted on 30/04/2019

To Environment Canterbury Regional Council,

I wish to object to all the Resource Consent Applications from Fulton Hogan for the proposed quarry near Templeton. I submitted my online submission form on 30/04/2019 around 5pm to - <https://www.ecan.govt.nz/do-it-online/resource-consents/notifications-and-submissions/notified-consents/fulton-hogan-roydons-quarry/>

Submissions was published last week, however my submission was not published. Can you please recheck and add me to the submission.

Here are my details which I included on the online submission - Full Name - Noel Rasin Mudiyansele Postal Address - [REDACTED] Name of Applicant - Fulton Hogan Limited.

Application to Environment Canterbury - I opposed the application Application to Selwyn District Council - I opposed the application I opposed to this applications due to Health effects, environmental & cultural effects as well as landscape and visual impact.

Please let me know when my submission is added.

Thank you

Best Regards
Noel Rasin Mudiyansele
