Dear Lisa

Proposed Plan Change 1 to the Hurunui and Waiau River Regional Plan

Thank you for the opportunity to submit on Proposed Plan Change 1 to the Hurunui and Waiau River Regional Plan. The Hurunui District Council is generally in support of the Proposed Plan Change and recognises the collaborative effort it has taken to reach this point.

In principle Council supports the change and acknowledges the positive impact this certainty will provide to many low intensity dryland farmers within our District. Council notes the importance of including Dryland Farmer Collectives as a possible way of reporting and acknowledges their importance in the successful implementation of this plan change.

Council wishes to reserve it's right to be heard.

Yours sincerely,

Winton Dalley
Mayor
