Subject: Plan Change 7 to the LWRP Submission
Date: Wednesday, 24 July 2019 8:39:22 AM

Dear Sirs,

I disagree wholeheartedly with the proposed Plan Change 7 and urge you to drastically reduce nitrate levels in our drinking water.

You proposed measures are not strict enough to prevent nitrates leaching into our water table.

Please act on our behalf to protect this precious resource rather than facilitate ongoing pollution.

Regards,

Michael Doig
