Map attached: **Yes/No**

Purpose:

To allow access lanes for certain vessels that may have difficulty maintaining the Maritime Rules part 91.6 5 knot speed limit within 200m of the shore or a structure, for either mechanical reasons or particular operational requirements outside their control, to exceed that 5 knot speed limit so that they can approach berths at speeds above 5 knots provided that they can do so safely and at speeds below 8 knots.

Reservation:

This Reservation Certificate allows the following vessels to exceed 5 knots within 200m of the shore or a structure in the marked areas, provided they remain under 8 knots and comply with other rules and Harbourmaster's Directions:

1. Port operational vessels (tugs and pilot vessels) operated by Lyttelton Port Company; and
2. The vessels Black Diamond, Canterbury Cat and Fiordlander 1 operated by Black Cat Cruises.
3. Any other vessel authorised by the Harbourmaster.

This Reservation Certificate should be read in conjunction with Harbourmaster's Direction 16-1, Harbourmaster's Direction 19-1, and the Canterbury Regional Council Navigation Safety Bylaw 2016.

The Harbourmaster may, upon written application, vary the rules in this Reservation for a vessel or specific class of vessels. This will be done on a case-by-case basis, and only where the overall standards of maritime safety are not, in the opinion of the Harbourmaster, diminished.

Conditions:

Publication of notice of Reservation: On the Environment Canterbury website, [Harbourmaster's Office page](#), under 'Current boating notices'.

Notice of Reservation to be:

Displayed at: N/A

Displayed by: N/A

Removed by: N/A

A copy of the Temporary Reservation Certificate to be carried by:

1. All vessels operating under this Reservation Certificate.

Safety conditions:

1. Every vessel operating under this Reservation must have AIS, where fitted, switched on and operating at all times when underway.
2. Vessel speeds within the access lanes must be below 8 knots and, for the avoidance of doubt, the Maritime Rules Part 91.6 speed limits shall apply anywhere outside the access lanes.
3. No vessel shall exceed 5 knots in any manner that is likely to endanger or unduly interfere with any activity in the vicinity.

Temporary Reservation shall not take effect if: If the conditions above are not met.
