

Submission on Plan Change 7 to the Canterbury Land and Water Regional Plan

By **Wall, J**

Submitter Identification number: **PC7-490**

Wishes to be heard: **No**

Would consider making a joint submission at the hearing: **No**

Submitted on: **30/07/2019**

This submission was submitted via Environment Canterbury's online submission portal. The Submissions portal generates pdf files of submissions (as attached). However, some of the information that appears in the pdf files is not consistent with information the submitter entered into the portal, specifically, where submitters have ticked:

- "I wish to be heard in support of my submission" ; and
- "If others make a similar submission I will consider presenting a joint case with them at a hearing".

Additionally, the submissions portal has generated submitter and submission point numbers that are not consistent with the numbering applied in the Summary of Decisions Requested. Submission points in the Summary of Decisions Requested (SODR) are numbered using the following format:

PC7 – Submitter ID #.Submission point #

The correct submitter identification number and submitter information is specified above. This will be the number referred to in the SODR.

Submission points

Point 1.1

Submission

I oppose any increase in nitrate levels to any rivers in Ecan area. I am affected by being a resident of Christchurch which draws water from aquifers impacted by river nitrate levels. I submit penalties should be increased for infringement of nitrate release to waterways.

Relief sought

Changes to give effect to lower tolerance for nitrate levels in all waterways

Proposed Plan Change 2 proposes to remove from the Waimakariri River Regional Plan provisions that relate to the area covered by Section 8 (Waimakariri sub-region) of the Canterbury Land and Water Regional Plan (CLWRP). The WRRP continues to apply to the main stem of the Waimakariri River, the upper catchment including its headwaters, and an area of land south of the Waimakariri River.
