

ROYDON QUARRY, TEMPLETON
DIRECTIONS OF THE COMMISSIONERS
MINUTE 5

INTRODUCTION

- [1] In Minute 1 we directed that expert witnesses should include a summary statement of no more than two A4 pages length in their evidence.
- [2] In a Memorandum dated 2 October 2019 Counsel for the Applicant suggested that the Applicant's experts could instead each prepare a full written summary addressing their evidence in chief, any rebuttal evidence and, where appropriate, any joint witness statements.
- [3] Counsel suggested that these summary statements could be lodged pre-hearing, potentially at or about the same time as the requested legal submissions from the Applicant.
- [4] We agree that would be helpful and thank Counsel for the suggestion.

DETERMINATION

- [5] Experts for the Applicant are to each prepare a full but concise written summary addressing their evidence in chief, any rebuttal evidence and, where appropriate, any joint witness statements.
- [6] These expert witness summary statements are to be lodged with the Hearings Administrator concurrently with the Applicant's opening legal submissions (being no later than 13 November 2019 as set out in paragraph 21 of Minute 1).
