**Reasons comment:**

From the waitaki river through to the waihao box river mouth are areas that my family has fished for 4 generations. The fact that this may go ahead makes me cry. Growing up we

had some amazing trout fishing around waimate and now the rivers are next to non existent due to water being taken out for irrigation due to dairy farming. The ocean is the last place I can fish and by allowing this consent to go through you will destroy this for any future generations . PLEASE DONT LET MONEY AND GREED get in the way of logic. This is our home and my heritage back past my great grandfather Gordon Wilson. I beg you to please not this an overseas company do this.
