Reasons comment:

I cannot as a New Zealanders support a foreign entity purposely dumping waste at such an amount in our country. Especially when we're working so hard to improve our water

quality. Insult to injury being the profits of said company going offshore. The make the momey and the mess.

Consent comment:

Deny consent. Make an example of this flagrant disregard of our current environmental policy and initiative. Their lack of respect for our country and ocean is obvious. We cannot stand for such disrespect of New Zealand.
