Consent support/hearing details

- CRC194459: oppose | NOT to be heard | will NOT consider joint hearing

Reasons comment:

The stench from the Tegel factory is absolutely horrendous! Whenever I have to take kids to Mega Air (directly next to the factory) the air is putrid. People coming to and from Mega Air (including many children) have to breathe the stench from the Tegel factory and often run into Mega Air from their cars (and vice versa) with their hands/jacket covering their nose/mouth and complaining of the disgusting odour emitting from the Tegel factory.

Consent comment:

This consent should absolutely not be granted under any conditions as the community and

the environment will continue to suffer for it!
