Reasons comment:

I am opposed to Tegel getting this consent as I have lived in Bella Rosa Drive for 19 years and I have had to put up with the smell from Tegel all these years. I also do not drive so I walk to my work which is on Carmen Road and also to bus stops and the mall. Walking down Carmen road on some days the smell is so bad I nearly vomit in the gutter. I would not like to think that the smell could get any worse. I would not like to live any closer to Tegel and feel sorry for the Carmen road residents. We did realize Tegel was there when we moved but did not realize how bad the smell could be.

Consent comment:

I wish the consent authority would look into why the smell is so bad at present and perhaps notify the local residents and including local businesses of the outcome. The particular air quality and smell is our main concern for objecting to this consent as it has been allowed to be this bad for at least the last 20 years.
