We live about 200 metres from Tegel. We have smelt foul odours about 5-6 times per year. On one occasion it was so bad I thought my sewer drain was blocked. We often are awoken when then fire alarms go off and when they have fire drill. During a fire once in recent times particles of dust could be seen from the fire. I would like to see lovely gardens in front of Tegel to improve the environment. If anything goes wrong with the plant, Tegel

should ring us so that we can close our windows and doors. As a gesture of goodwill Tegal should invite the neighbours to a barbecue or to their annual closed sale.
