

Memo

Date	15 July 2020
From	Tavisha Fernando (Planning Hearings Officer)

Request for information

On 13 July 2020 a request for information was received by Environment Canterbury from a submitter on Proposed Plan Change 7 to the Canterbury Land and Water Regional Plan.

The request was for part of the Landcare Research data that provides the Environment Canterbury Soil Types layer on Canterbury Maps. The data requested was the shapefile that covers the Waimakariri Zone for the purpose of illustration for evidence for the forthcoming hearing.

This data can be provided on request.
