Subject: Bathurst Coal application Canterbury Coal Mine
Date: Thursday, 14 May 2020 6:32:25 PM

To whom it may concern,

This letter is in opposition to allowing Bathurst to continue to wreck the environment by extending or allowing any further mining concessions in any of Aotearoa.

They say it's OK to keep on extracting coal and damaging the worlds ecosystem. Seriously? If you're thick enough to believe that, please don't have children.

Neville Ashley
