Reasons comment:

I oppose all of the resource consents applied for by Bathurst Coal Limited. This coal mine

is already damaging the environment; any enlargement of the mine will make this damage significantly worse. I ask the Canterbury Regional Council and the Selwyn District Council to make the right decision and prevent the enlargement of the mine. Please do not grant any of the resource consents applied for by Bathurst Coal. I am concerned about the damage that has already occurred to waterways, plants and animals, including native species, due to the mine. Expansion must not go ahead.
