Form Summary	
<b>Name</b>	Rima Herber
<b>Email</b>	
<b>Multiple choice</b>	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
<b>Why do you oppose the mine?</b>	coal mining causes an increase in CO2 emissions and I oppose any new coal mining activities. The negative effects of mining on the environmen in the short term are also of great concern.
