Subject: You received a submission for Bathurst Mine Resource Consent
Date: Sunday, 17 May 2020 8:53:51 PM

Form Summary	
Name	Georgia Liddell
Email	
Multiple choice	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
Why do you oppose the mine?	Because these mines grossly contaminant the water and air provided to us by our lovely Mother Earth
