

**Submission in support of Canterbury Coal Consent for Bathurst Coal Ltd**

**McKeown Petroleum Ltd are suppliers of Petroleum Products, mainly Diesel to the Bathurst Canterbury Coal operation.**

**We employ 2 Drivers in the Canterbury Region to service their fuel needs.**

**Servicing this mine creates many flow on jobs in the region and we cannot stress enough how important they are to the Canterbury Region and to McKeown's operation as well as to the wider Canterbury region that relies on their Products to produce their goods for the Domestic and Export Markets.**

**We have always been impressed by their Management, Health and Safety initiatives and the loyalty shown to McKeown Petroleum Ltd as a supplier**

**We fully support their application and believe this Company makes a strong contribution to the Canterbury Economy and adds value to the Region through their efficient operation.**

**Kind regards  
Ken McKeown**
