Subject: You received a submission for Bathurst Mine Resource Consent
Date: Sunday, 17 May 2020 7:38:17 PM

Form Summary	
Name	Fiona Merwood
Email	
Multiple choice	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
Why do you oppose the mine?	Coal is the past. It does not fit with a clean green New Zealand. If we are serious about climate change. Then fossils need to be left where they belong, in the earth.
