Date: Tuesday, 19 May 2020 3:12:04 PM

Form Summary	
Name	Michelle Moffat
Email	
Multiple choice	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
Why do you oppose the mine?	I do not think that expanding coal mining operations is a responsible decision given the current global environmental crisis.
