Form Summary	
<b>Name</b>	Thomas Moot
<b>Email</b>	
<b>Multiple choice</b>	I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
<b>Why do you oppose the mine?</b>	I don't oppose the coal mine, we need to consider the alternative which is importing coal which is even worse for the environment and the economy. We should be expanding the mine to meet local demand and reduce coal imports. Generation Zero please do not email me.
