Subject: You received a submission for Bathurst Mine Resource Consent
Date: Monday, 18 May 2020 12:32:35 PM

Form Summary	
Name	Cally O'Neill
Email	
Multiple choice	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
Why do you oppose the mine?	Science is telling us loud and clear that we cannot afford to burn the fossil fuels we already have in known reserves -- let alone to burn more. That's not to mention any of the other numerous environmental concerns shrouding this project. We have to do better!
