**Reasons comment:**

I cant believe that we still have to make submissions on the extraction of coal out of the

ground, one of the biggest contributors to pollution and the rise of CO2 levels in the atmosphere. I am making a submission for the sake of future generations. Our money should go to alternative energies ,and let us hooe we are not too late. Shame on you Bathurst Coal Limited!

---

**Consent comment:**

Absolutely unequivocally decline any consent for future coal extraction.
