Subject: You received a submission for Bathurst Mine Resource Consent
Date: Monday, 18 May 2020 11:14:40 AM

Form Summary	
Name	Becky Pocock
Email	
Multiple choice	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
Why do you oppose the mine?	We need to reduce our dependence on fossil fuels. No local site remediation can repair the wider damage of CO2 emissions.
