Subject: You received a submission for Bathurst Mine Resource Consent
Date: Sunday, 17 May 2020 8:45:41 PM

Form Summary	
Name	Brianne West
Email	
Multiple choice	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
Why do you oppose the mine?	Coal is incredibly harmful to our planet; both in it's extraction and when it's burned. Now is the time to move away from fossil fuels, especially coal as it is so damaging to our environment and in particular our climate. Please do not grant this expansion.
