Subject: You received a submission for Bathurst Mine Resource Consent
Date: Monday, 18 May 2020 3:21:19 PM

Form Summary	
Name	Jamie-Lee Westerman
Email	
Multiple choice	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
Why do you oppose the mine?	Not only are we living in a climate emergency (and thereby common sense requires us to divest from fossil fuels) but New Zealand's unique natural environment and species are already threatened enough as it is. In good conscience something like this should NEVER be allowed.
