Subject: You received a submission for Bathurst Mine Resource Consent
Date: Monday, 18 May 2020 8:17:48 PM

Form Summary	
Name	Colin Williams

Multiple choice	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
Why do you oppose the mine?	The benefits from such an endeavour only ever apply to a small minority while the harm to the environment and therefore to the people is widespread. This is just another one of those times where money will overcome humanity, again.
