- RC185622: oppose | NOT to be heard | will NOT consider joint hearing

Reasons comment:

1 -In line with the Zero Carbon Act all businesses, councils and residents in New Zealand (

and world wide) need to make changes to reduce their carbon emissions. Canterbury cannot afford to ignore the consequences of allowing this application to proceed which will increase carbon emissions. 2- Pollution from the activities will negatively impact the local waterways

Consent comment:

I request Ecan to decline resource consent for all the applications made by Bathhurst coal Limited
