Subject: HPE CM: Reading Press May 9 and shocked to learn of planned expansion of coal mine workings in Malvern Hills. Wetland removal a huge no no regardless of reclamation efforts. Look at NZ map and see what's left of original vegetation. Stuff all!

Date: Saturday, 9 May 2020 8:28:16 AM

Have to find clean fuel. More coal a poor reason to wreck environment. Precious mudfish(kowaro) would agree with me I'm sure.
